

## MLS MARKET AREAS

The areas listed below offer a convenient way to quickly search a community in MLS. These are not strictly defined by city limits or school zones. For communities located in more than one county or for a specific geographic area, a search by city or zip code or by a map-defined search may be more helpful.

- |      |  |      |  |
|------|--|------|--|
| 110  | Fultondale/Gardendale/Mt Olive                             | 210  | Crestline Gardens/Crestline Park/Irondale                |
